

HOMWORK PROJECT

The Study of SHAPES

PART 1 of 3 – RESEARCH A BUILDING

Take a look at your surroundings; how many different shapes can you see in the room that you are sitting in? Your homework project will require you to study a group of shapes that join together to form a world famous building!

Part 1 is to research a famous building in the world. You may have been to this building or would one day like to visit it. Examples of buildings you could choose from are: Leaning tower of Pisa, Big Ben, Pearl Tower, Taipei 101, Empire State Building, Taj Mahal, Sydney Opera House and many, many more...

I have chosen the famous _____ building.

You will find this amazing building in _____, _____
(city) (country)
